

Earth Day ~ Recycling & Planting Challenge ~

Dear Students,

“Calling all students to join the Recycling & Planting Challenge!”

- 1-** Make your plant pot: use recyclable things from home (food cans, plastic bottle, plastic cups...)
- 2-** Start decorating your pot, use paint, tissue paper, glitter...
- 3-** Plant in the pot, you can go as simple as cotton and lentils, or use others ideas depending on what you have at home.
